

Vi was also a business woman and financier for 37 years. The business that she and Jess owned earned her the recognition as one of the most successful business partners in the area and was the catalyst for Vi's commitment to the betterment of her community. It also served as the central point within the community, where many local leaders discussed political, economic, and social issues.

Some of her many accomplishments include: President and member of the 65th Assembly District committee, vice-chairwoman of the party's Chicano-Latino Caucus, and member of the San Bernardino County Democratic Central Committee since 1996.

Vi was also the founding member of the Yucaipa Democratic Club, the Comision Femenil Mexicana Nacional, and the Chicana Service Action Center.

She is survived by her husband of 56 years, Jesus (Jess) Munoz, Sr., sons Jesus Munoz, Jr., and Kenneth Munoz, daughter Beverly Munoz, five grandchildren and six great grandchildren.

Vi has left behind a wonderful legacy of community and political activism. The many relatives and friends who loved her dearly, know that she will be missed. Vi touched us all with her kind deeds and leadership in our community.

My wife Barbara, my family and I extend our deepest condolences to Vi's family. May God bestow his comfort upon them at this time.

RECOGNIZING THE PEACE CORPS VOLUNTEERS FROM OREGON'S 3RD DISTRICT

HON. EARL BLUMENAUER

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 27, 2007

Mr. BLUMENAUER. Madam Speaker, President Kennedy, speaking 46 years ago at the establishment of the Peace Corps, remarked that, "The initial reactions to the Peace Corps proposal are convincing proof that we have, in this country, an immense reservoir of such men and women—anxious to sacrifice their energies and time and toil to the cause of world peace and human progress." What was true in 1961 is true today; Peace Corps Volunteers are an outstanding group of men and women serving the cause of humanity across the globe.

During this National Peace Corps Week, I want to honor the service and commitment of the Peace Corps Volunteers from Oregon's 3rd Congressional district and express my pride in my fellow Oregonians who have chosen to devote years of their lives in service to others.

In particular, I want to recognize those Peace Corps Volunteers who have begun their service in the past year: Annie Crater (Honduras), Michelle Gerdes (Tanzania), Benjamin Grace (Niger), Eli Mechanic (Morocco), James Murphy (Mali), Nicole Probst (Malawi), Radhika Reddy (Burkina Faso), Michael Thoresz (Belize), and Lauren Towery (Romania).

Their work to empower people and communities in developing countries is an invaluable contribution to creating a safe and prosperous world, building bridges between America and the world, and establishing a better future for people everywhere.

HONORING THE LIFE OF DEANNE STONE

HON. JOHN B. LARSON

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 27, 2007

Mr. LARSON of Connecticut. Madam Speaker, I rise today to pay great honor to Mrs. Deanne C. Stone, who passed away on January 28th after a year long struggle with cancer. Born in Hartford, Connecticut and eventually residing in the state of Massachusetts, Mrs. Stone leaves behind a great legacy through her leadership roles and tireless volunteer work in many distinguished organizations, as well as through her friends and family who loved her dearly.

Born to the late Janet and Yale Cohn, Mrs. Stone demonstrated a passion for success at a young age. As Mrs. Stone's sister Barbara Gordon recalls, she was actively involved in her years as a young woman at Weaver High School, working on the school newspaper and eventually graduating as valedictorian of her class in 1957. She went on to graduate with degrees from Brandeis University and Leslie College. Dedicating her life to helping others, Mrs. Stone served in numerous leadership roles for many different organizations, ranging from The Foundation for Children's Books to local Brownie and Cub Scout troops, and an elementary school PTA president.

Known widely throughout the Jewish communities, Deanne Stone worked tirelessly with numerous organizations closely connected

with her faith. She was the Executive Director at Maimonides School and Temple Israel of Boston. She became the founding president of the Women's Division of the Greater Framingham Jewish Federation, and served with her husband, Harvey, as the co-editor of the Jewish Reporter.

Her passion for working within the Jewish community was acknowledged by receiving the honor of being named the national chair for the National Women's Department of the Council of Jewish Federations. Her faith and diligence was also recognized through an invitation to the White House to celebrate the signing of a historic peace treaty between Egypt and Israel.

Madam Speaker, I ask my colleagues to join me today in honoring the life of Mrs. Deanne C. Stone. Her tireless dedication to the local and Jewish community has touched and inspired those who knew Mrs. Stone, and will continue to resonate through her achievements. My thoughts and prayers are with her friends and family, especially her husband Harvey, and the families of her children Matthew and Allison, and sister Barbara. The Hartford community is thankful for having the honor of knowing Mrs. Deanne Stone.

HONORING CAPTAIN HARRY W. ORLADY'S CAREER AS A PIONEER IN AVIATION SAFETY HUMAN FACTORS

HON. JAMES L. OBERSTAR

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 27, 2007

Mr. OBERSTAR. Madam Speaker, I rise to honor a true pioneer in aviation safety and human factors, on his distinguished career of service to the safety of world-wide aviation. Captain Harry W. Orlady passed away peacefully in his sleep on February 7, 2007 at age 86. A memorial service and reception will be held on Friday, March 2, 2007 in Los Gatos, California.

Captain Harry Orlady was a pioneer in the area of aero medical research and aviation human factors. He had a lifelong passion to improve aviation safety in order to, in his words, "make the system better for people who use it." He wrote and delivered more than 100 papers and presentations, conducted studies on medical disabilities, pilot incapacitation, and flight crew complement. He was the originator and principal developer of United Airlines' Flight Safety Awareness Program, the first formalized and effective non-punitive incident reporting system, which was the model for the NASA Aviation Safety Reporting System. Captain Orlady initiated work on pilot incapacitation research at United, and he was the originator of the "two communication rule" that has been a mandatory procedure for years at most of the world's airlines.

Harry Orlady initiated "human factors" research and practices before the importance of those concepts was understood and widely accepted in the aviation industry. Prior to that time, the aviation community was apt to label most accidents as "pilot error" and simply move on without understanding how the system and the equipment contributed to these errors, which were the primary cause of aircraft accidents.
